Accreditation

Oak Forest Hospital is accredited by the Illinois State Medical Society to sponsor continuing medical education for physicians.

Oak Forest Hospital designates this continuing medical education activity for four (4) credit hours in Category 1 of the Physician's Recognition Award of the American Medical Association. Each physician should claim only those hours of credit that she/he actually spent in the educational activity.

Current guidelines state that participants in CME activities should be made aware of any affiliation or financial interest that may affect a speaker's presentation. Therefore, the speaker has completed a financial disclosure statement stating no significant financial interest / arrangement or affiliation with a corporate organization that may impact the presentation.

An unrestricted educational grant from The Otho S.A. Sprague Memorial Institute funds this program. The education materials for this program were provided by the © EPEC Project, Robert Wood Johnson Foundation, 1999.

Audience

This program series is designed for physicians working in ambulatory care or hospitalists and physicians working with seriously ill hospitalized patients with life-limiting illness. The program is designed for both experienced and novice physicians in the area.

Objectives

By the end of a workshop, the participant will be able to:

Ambulatory Care

*Cook County Hospital (December 5, 2002) or
Cook County Hospital (February 6, 2003)*

- Negotiate goals of care using a structured protocol.
- Describe the steps of analgesic assessment and management.
- Use a communication strategy for eliciting values and wishes about advance care planning based on a patient's health status.
- Describe the prognostic factors for eligibility for hospice and know the services provided under the hospice benefit.

Inpatient Care

Cook County Hospital (Nov. 15, 2002)

- Negotiate goals of care using a structured protocol.
- Describe the steps of analgesic assessment and management.
- Describe the prognostic factors for eligibility for hospice and know the services provided under the hospice benefit.
- Assist and support patients and families during the last hours of life

Location

Pre-registration is required.
The location for Cook County Hospital workshops is the Rush Academic Facility
Nov. 15, 2002 Room 1098
Dec. 5, 2002 Room 975.
Feb. 6, 2003 Room to be announced
